The warrant of Precedence for India published with the Govt. of India notification dated 16.6.1937 and as amended since, is put up.

2 As regards our Warrant of Precedence the list issued with Go. No. 56-110 dated 6.7.1937 has since been further modified as follows.

(i) Mr. A.V. Ramanathan, while he holds his present appointment, has been permitted to retain his rank below Mr. Anantaraman and above Mr Kesavaiengar. (Vide Do. letter No. 7187 CB. 151-35-4 dated 22.9.1936 from the Chief Secretary to Govt. to the Asst Secretary on the Personal Staff of H.H. the Maharaja).

Letter No G.19 dated 29.3.1938 from the Private Secretary to His Highness the Maharaja regarding the rank of the marginally noted officers of the Railway Department in class II of Part I of the Mysore Warrant of Precedence.

1. The Supdt., Way & Works,
2. " Loco Superintendent,
3. " Traffic Manager,

18. The Private Secretary to H.H. the Maharaja requests specific orders on two points.

First, the rank to be assigned to each of the undermentioned officers of the Railway Department in class II of Part I of the Mysore Warrant of Precedence.

(a) The Superintendent, Way and Works,

(b) " Loco Superintendent,

(c) " Traffic Manager.

19. Sir Charles Todhunter enquires whether these officers take their precedence inter se according to their personal seniority in the service. Regarding this it is submitted that, excepting the officers mentioned under class I – they take precedence in the order indicated in the list – those included in the other classes take rank in the Durbars according to the salaries drawn by them. When two or more officers draw the same salary, their rank will depend upon the dates from which they

NOTE—Contn. Sheet.

WD 0284—GPB—30,000—13-8-37

began to draw such salary. (Vide Notes appended to G.O. No. 56-110 dated 6.7.1936.) The present order in class II, III or IV is no criterion for determining their rank.

B (reverse)

20. Secondly, whether mention is not to be made of the District Officers, Assistant officers and the Personal Assistant to the Agent in the Warrant. As has already been noted above, these officers are to be put in classes III, IV or V according to the salaries drawn by them. ~~All~~ Officers (unspecified) who draw Rs 500/- and above ~~are~~ are included in class III, those who draw Rs 250/- and above in class IV and those whose salary is Rs 150 and above are included in class V. As can be seen from the list, ~~the Collector, the Personal Assistant, the~~ all officers are not specifically mentioned there. ~~and it would, indeed, be cumbersome if mention is to be made of every officer who comes under any of the three classes.~~

is not ~~actually~~ absolutely necessary to mention each individual post, it may be appropriate to specify the names of the post along with analogous posts in other Depts. The posts to be so included are : —

(1) District officers, Senior Grade 550-$\frac{50}{2}$-750. — These automatically go in class III & may be included herein

(2) District officers Junior Grade 425-$\frac{50}{2}$-525. — Under class III, only those drawing Rs 500 & above are generally included while Asst. Comrs & Asst Engrs. are included under class IV. But there are some Special posts like the Registrar of the University (Rs 400-700) & the Ex. Engrs (450-750), whose incumbents come under class III even while drawing less than Rs 500. So if the Ry. District offrs, Junior Grade, are considered deserving of some special treatment in view of their being "District officers", they may be put in class III irrespective of their pay. (Else they will come to class III only when they reach Rs 500, and till then they will be in class IV).

For order

(3) Personal Asst. to Agent (Mr G. N. Ranganath) Rs. 500-600. — Automatically gets into class III

(4) Asst. officer : Senior Grade 200-$\frac{40}{2}$-400 — May be included in class IV (along with Asst. Engineers of P.W.D.) even while drawing less than Rs 250.

(5) Asst. offrs, Junior Grade Rs 125-$\frac{25}{2}$-200 — May be included in class V (along with Annu

As indicated in the office note supra, the Dt. Officers both in the Senior and Junior Scales may be included in class III. They correspond to Executive Engineers in the P.W.D. Besides the division of Dt. officers into Senior and Junior Grades is with a view to create an efficiency bar in that Cadre. The Junior officers usually are eligible for being promoted to the Senior Grade.

The other proposals in the office note may be agreed.

CHIEF SECRETARY. 29 MAR 1938 GOVT. OF MYSORE.

To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to acknowledge with thanks the receipt of your letter No.2548/C.B.152-37-2, dated 22nd March 1938, with which you have kindly forwarded me copy of a Government Order sanctioning the reorganisation of the Gazetted staff of the Railway Department.

You advise me in the letter in question that the Superintendent, Way and Works, the Loco Superintendent and the Traffic Manager are to be included in class II of the Warrant of Precedence. I shall be much obliged if you will kindly advise me at what point these three officers are to be included and further whether they take their precedence inter se according to their personal seniority in the service.

The necessity for this enquiry arises from the fact that the present order in class II is as shown in the margin. If the three officers are to be included in class II and take their precedence inter se according to their personal seniority, it will still be necessary to determine which of the officers are to be regarded as senior to them and which are to be regarded as junior

I should be glad further to be advised whether I am right in supposing, as regards the officers to be put in classes III, IV and V that it is the intention of the Government that officers of the Railway Department will come at the bottom of the class among "All other officers" and that no mention is to be made of them in the Warrant.

I enclose herewith a copy of the revised proof of the alphabetically arranged Warrant of Precedence for reference in dealing with the question.

The Private Secretary
To His Highness the Maharaja
of Mysore.

Sir,

With reference to your letter No.G.19 dated 27th March 1938 in regard to the rank of the marginally noted officers of the Railway Deptt. in class II of Part I of the Mysore Warrant of Precedence, I am directed to invite your kind reference to the Notes I (a) and (b) (extracted below) appended to the Precedence List, published in G.O. No.56-110/C.B.151-35-1, dated 6th July 1936:

The Supdt., Way & Works,
" Loco Supdt.
" Traffic Manager.

"J"

"I (a). Officers of Class I will take precedence in the order shown above subject to such changes as may be made by His Highness on personal or other considerations

(b). Officers of Classes II, III, IV, V and VI may take rank according to the salaries drawn by them. When two or more officers draw the same salary, they may rank according to the dates from which they began to draw such salary. The Principals of the Central and Maharaja's Colleges will take precedence over the Professors."

~~From the above, it appears that the~~ While ~~order in which the several posts are mention~~ ed ~~in the general Precedence List will be a~~ also determine ~~guide in determining~~ their relative rank

In view of the above, it appears that it is only in respect of officers in Class I, that the order in which the posts are mentioned in the List determines also the relative rank of the officers in the class, while in the case of posts included in the other classes, the relative rank of officers in each class inter se, will depend upon the personal salary and seniority of the incumbent of the post for the time being and the exact order in which the posts themselves are mentioned in the List is not very material.

As regards the Railway Officers to be included in classes III, IV, and V, I am to request that the following allocation may be adopted:-

District Officers, Senior Grade as well as Junior Grade: ..	Class III
Personal Assistant to the Agent.(Mr.G.N.Ranganathan)	Class III.
